It has been my pleasure to serve as the President of the Hacienda S/W Women's Club. The two years have passed quickly and it has been an enjoyable journey. I have come to know so many of our members on a more personal note. I would like to take this opportunity to thank my Board, Committee Chairs and the many members who have stepped up to the plate when needed. You all made my job so much easier and the Club has thrived because of you. Thank you so much.
