

HSWWC NEWSLETTER

APRIL 2020

Dear Neighbors and Friends-

We hope this finds everybody safe and healthy during this unusual time in the world. As you know, our schedule of meetings and activities has been cancelled until the CDC feels like it's safe once again to resume life as we used to know it. We've all been finding creative ways to fill the huge surplus of free time we have right now, and we hope that includes checking in on your neighbors and friends. Although it seems that every day more activities get eliminated, using the phone or sending an email to somebody just to say hi can really make a huge difference. We are all feeling the stress of the unknown, but our neighborhoods have been a source of amazing strength and friendship in the past and can be now.

We want to take this opportunity to wish you all a blessed Easter and a happy Passover. Spring is here and with that, let's hope that soon we can all return to our regular activities and spend time enjoying our friends and the beautiful life we have here in the Villages, especially in Hacienda South/West.

Please feel free to contact us if you have any questions or concerns. Be good to one another and stay safe and healthy.
