CHARITY: SEEDS OF HOPE – WILDWOOD

We are already 2 months past due with our 2nd quarter charity donation and since we will not be meeting until September at the earliest, the board decided to choose the charity themselves (this one time only) so that the budgeted quarterly donation of \$300 could proceed. Connie Wietrzak, our Charity Chairperson, recommended the Seeds of Hope-Wildwood, and the board has approved this recommendation.

Seeds of Hope supports both the Wildwood Soup Kitchen and the Wildwood Food Pantry. Their goals are to raise money, collect food, and increase awareness about the needs of the Soup Kitchen and Food Pantry. Everyone involved with Seeds of Hope is a volunteer. They have a zero-operating budget so that 100% of all general donations go to the Kitchen and Pantry. There are no checking or savings accounts, and no-one receive a salary. <https://www.seedsofhope-wildwood.com>
